

# Join America's Largest Network of Ex-IRS Examiners

OUR NETWORK OF TAX PROFESSIONALS WILL HELP INDIVIDUALS AND SMALL BUSINESSES WITH THEIR TAX NEEDS, INCLUDING:

- Tax Return Preparation
- Audit Consultation
- Audit Representation
- Tax Planning
- Bookkeeping
- Accounting System Setup

Since January 20, 2025, the Trump administration, along with Elon Musk and DOGE, have demonstrated their disregard for Federal workers

through a series of Executive Orders and other actions. Whether multiple "Fork in the Road" offers or 100% Return to Office, the message is clear they are applying maximum pressure and trauma to force as many of us out the door as possible, with no consideration of the consequences to the taxpayers or organizations they serve.

*By banding together as a national network of tax professionals, we are in a unique position to offer taxpayers the benefit of thousands of years of IRS experience to maximize their tax savings and provide effective support for navigating any IRS interaction.*
